# SWF to FLA Converter for PC

Hits: 960

**Description:** Recover any Macromedia Flash file into the original FLA with SWF to FLA Converter for PC. There are over 50 options available to extract sounds, images, videos, shapes, frames, morphs, fonts, texts, buttons, sprites and ActionScripts are embedded in the program. SWF to FLA Converter for PC automatically defines the version of original SWF file and converts it to the same version of FLA, however, the user is still able to change the version.

## Resource Specifications
