# Flash-MP3Player

Hits: 4,009

**Description:** This is the best solution for you, if you want to present music or sound files in your website. Especially for the musicians, music bands, recording studios, music stores.

It is really easy to install and create your playlist. Songs in playlist can be sorted in groups by authors or album titles. You can also choose or create skin for your mp3 player to suit your page. All colors are adjustable !
