Hits: 1,116

**Description:** What is Easy Chat Pay-Per-View software ?

It is web based solution which allows audio/video/text communication between chat performers and their clients using web cameras (webcams chat).

Chat performers and WebSite owner earn money from each minute of chat.

To start your own video chat business you should have an own domain and web hosting for your chatting website and FMS or RED5 hosting or server and Easy Chat software.

Our professional team of developers will install easy chat software to your hosting accounts. We also will integrate it with payment gateway like Verotel or CCBill to allow you accepting money from credit cards, phone billing or sms billing.

We give live time bug fix warranty to our software!
