Permanent Redirector

Hits: 1,306

Description: This package contains a simple redirect script that makes 301 permanent redirection.

You need a Permanent Redirection if

- * You have changed a page name of your site and would like to point old requests to a new location.

- * You want to redirect Google Page Rank to the location.

- * You want your visitors/customers to see the new page instead of 404 Page Not Found error
