Sruuugle the WebCrawler

Hits: 1,055

Description: SRUUUGLE is a fully professional service that gives your site a feature that lets your visitors navigate your site faster. This feature is fast, cost effective and adds professionalism to any site. With our extensive tools you could make the page as if visitors have not left your website. This service is not based on a yearly, monthly charge but a per view charge so what you pay differs with the amount of visitors. The free service will actually pay you money as much as a penny per IP per hour! Professional services start as low as 0.07 Cents per visit!
