Go-social - easy social bookmarking

Hits: 1,125

Description: Needless to say, social bookmarking is one of the best ways to drive traffic to your website nowadays. The power of bookmarking services comes from simplicity of their use and easy accessibility. Some people speak about importance of social media optimization (there's a nice post on it) and you have all grounds to believe them.

Since there is a variety of different bookmarking services it's obvious that linking to only one or two of them is not enough. Go-social is a simple way to make your pages social-friendly 221;

It lets you link to 10 top social bookmarking sites (according to the research made by Socializer) with just one link at your page.
