# My Guestbook

Hits: 2,115

**Description:** My Guestbook is an easy-to-use, easy-to-install, fully templatable guestbook script. Visitors can leave you a note along with their name, email address, and location. My Guestbook also includes comprehensive spam-fighting features. In the easy-to-use Administration Panel, you can ban IP addresses and keywords if your guestbook is being used by spammers. Admin gets emailed when someone signs.
