Sava's Article Manager

Hits: 6,175

Description: Simple article/news management script. Written in PHP and MySQL, it's very easy to integrate in any site as it uses themes. Only 2 tables in the MySQL database.

Features:

- Easy to use admin panel - add/edit/delete articles and comments
- You can also upload pics for you to post with your articles.
- Search function
- Users can post their own comments on your articles
- Easily customizable as it uses themes
