eStoreAff Script Store

Hits: 1,077

Description: eStoreAff is an Downloadable PHP Script Store Plus Reseller/Affiliate System. With eStoreAff you can install a ready-made online store as long as you have hosting supporting PHP and one MySQL database.

eStoreAff is for:

- * Anyone who wants to sell online digital products.
- * Those who are not interested in an advanced shopping cart.
- * Who would wants to buy an high pricey shopping cart?
- * Most online shopping carts DON'T have the reseller/affiliate system intergated or nothing at all!
- * Also why run your own store when you can enable others to sell their products?!

- * Complete Downloadable PHP Script Store
- * No php programming required
- * Cost-effective
- * Reseller/Affiliate System
- * Coder/Designer System
- * Easy design integration in any HTML editor
- * Free installation service
- * Free future updates/upgrades
- * Free customer support
