## CJ Questionnaire Builder

Hits: 1,272

**Description:** The CJ Questionnaire Builder is the perfect tool for conducting questionnaires over the web. Gathering primary research is a mundane, tedious task - with the CJ Questionnaire Builder you can make light work of questionnaires by adding your participants to a list and emailing the survey right to them - all controlled by a straight-forward admin interface.

There is no limit to the amount of questionnaires you can run simultaneously, you could even send a weekly questionnaire out to your participant's database. For the developers amongst you; the CJ Questionnaire Builder can be easily plugged in to your existing content managed solution - just ask for details.
