AVS iRadio Recorder

Hits: 754

Description: Manage the list of Internet radio stations, add, move and delete stations. Search among most popular and cited radio stations, search by genres, bitrates and more. AVS iRadio Recorder can automatically split the audio stream into separate songs. Schedule your recording sessions if you are away when your favourite program is on the air!

AVS iRadio Recorder is a part of AVS4YOU.com package. Register once at avs4you.com and work with all 22 tools from the AVS4YOU.com package.

AVS4YOU tools let you easily rip, convert and edit audio/video files, burn DVDs, create ringtones, upload videos to portable devices, players, phones and much more! As a registered user you can use every utility when you need it absolutely for free.
