# AVS Video Remaker

Hits: 579

**Description:** AVS Video ReMaker is an easy to use and full-featured tool for fast and lossless MPEG video editing. Our scene detection algorithm saves your time by scanning video and splitting it into episodes. So there is no need to preview video frame by frame trying to find transitions manually. Leave the scenes you need, delete the ones you don't - edit your MPEG video files without re-encoding and preserve the original quality. AVS Video ReMaker is a part of AVS4YOU.com package. Register once at avs4you.com and work with all 22 tools from the AVS4YOU.com package. Subscribe for \$29/year or \$49/lifetime. AVS4YOU tools let you easily rip, convert and edit audio/video files, burn DVDs, create ringtones, upload videos to portable devices, players, phones and much more! As a registered user you can use every utility when you need it absolutely for free.
