# Ultimate Profit Portal

Hits: 2,834

**Description:** The Ultimate Profit Portal is a turn-key affiliate link script. Once installed you'll instantly have a gigantic directory of web links, videos, and auctions. Web links are delivered from the affiliate XML feeds from searchfeed.com, revenuepilot.com & abcsearch.com. Auctions are delivered from the affiliate XML feed from ebay.com. Videos are delivered from YouTube.com.

The script uses mod\_rewrite to appear 100% static, while it's actually 100% dynamic. At the same time, the script actually creates static html pages on the fly as your visitors navigate through the directory. Just set up a Google Sitemap and your site will be deeply indexed.
