Gixaw Power Chat

Hits: 21,788

Description: Gixaw Power Chat is the most feature-rich full screen chat room that works for any website. Powered by PHP / MySQL and AJAX, there is no additional plugin required before your visitors can start chatting and sharing files, videos, images, music and documents. Gixaw Power Chat is a light-weight web application but with a feel and usability of desktop applications. This software is designed for any type of server platform and runs very well on shared servers. It takes just minutes to install with the built-in installer. The KEY FEATURES are: Private Messaging, Integration with Forums/CMS, Easy File Sharing, Live Image Previews, Powerful Moderation (kick / ban user / ban ip address), Dynamic Groups & Permissions, Past Chat Transcripts, Tabbed / Resizable Interface, Custom Skins / Templates, User Profiles, Sound Notifications, Flood Control, Unlimited Smileys, and alot more... Visit the website for more details, Free Trial and Live Online Demo.

[Gixaw Power Chat](#)

Really power chat !, Feb 22nd, 2007

Reviewed By: GeoChai

This is the only chat that i'd recoment and i suggest to everyone. It's one of the best purchases I've made for my dating portal. Gixaw support is unmatched. I tried too many known chat programs but all of them were causing system overload and sometimes I experienced many problems online. This chat is really worth any penny of it! I'm using both on my dating portal (www.mydate.gr) and on my greek hotels guide (www.0030.gr) as a support part of this guide. Absolutely POWER chat!
