Red Banana Accounts - Invoice and Quote Software Hits: 505

Description: Red Banana Accounts is a Internet based invoice and quoting system that any small business or sole trader will benefit from. There is also added functionality for calculating Construction Industry Scheme tax for tradesmen. The beauty of Red Banana Accounts is that it's simple, quick and your invoices and quotes look very professional. You'll be provided with a username and password when you have signed up which you can use to log in and use the system where ever you are in the world! Try our demo now at [www.redbananaaccounts.com /demo_it.php](http://www.redbananaaccounts.com/demo_it.php)
