IDAutomation ASP.NET Barcode Web Control

Hits: 353

Description: This web control will easily add barcodes to ASP.NET web applications and is user-friendly in Visual Basic.NET, C# and Borland Delphi for .NET. The barcodes will dynamically appear in the web browser as high quality GIF, JPG or PNG images. This web component supports several linear and 2D barcode types including Code 128, UPC, EAN, ITF, Code 39, PDF417, Maxicode and DataMatrix.
