Caravan Booking Software by Zebra

Hits: 749

Description: Zebra Caravan Booking Software will manage your daily bookings, avoid double bookings, collect deposits and payments and track transactions on line. You can also flag balance due dates, the total paid, repeat bookings, the age of guests (under 18 etc) and send email news letters. It's very straightforward. You access the internet, you login to the secure admin are of your new website and using the intuitive Zebra CMS software you have immediate access to all of the above facilities. Caravan Booking Software comes with three pre-designed templates for you to choose from – so there's no need for additional design fees. If you like our templates and would like to add your own pictures we can do that for you as well. Caravan Booking Software will you to run one caravan or caravan park with 1000's of static caravans, you pay small monthly fee. Service comes protect with firewall, daily backups, dedicated datacenter in the UK.
