Art Gallery Software by Zebra

Hits: 930

Description: Art Gallery Software is a simple and easy way for artists, illustrators and cartoonists to display their art work online. Within one hour you will be able to have a full collection of artwork online. Create your own galleries and sub-galleries, pre-built templates, upload your own logo, full manual to run your art gallery. The Art Gallery Software is ideal for selling your paintings, canvas, watercolours, illustrations, commercial art and cartoons. All you need is a paypal account and you are up and running. Payments can be taken by paypal, cheque, post orders or cash. Your artwork gallery is daily backed up, firewall protected and managed in a fully manned datacenter in the UK.

Resource Specifications
