# Flash 4 Magic

Hits: 13,366

**Description:** 21 Flash 4 projects. Professional. Inspirational. Fully customizable. And brought to you by a team of 7 developers and designers who are among today's best Flash designers. Flash 4 Magic offers games (such as Dodge and Concentration) and utilities (such as a clock that uses external JavaScript and guestbook and poll applications that use external PHP scripting). And more. Just follow the steps. Take a look at the graphics. Check out the CD that includes the project code. And then make each project your own.
