# Link Request Contact Form

Hits: 1,966

**Description:** Provided by: American Financing. Link Request Contact Form v3.4 is designed to let your friends or clients request to add their website link(s) / banner(s) to your website. User can upload their banner(s) to a directory being a JPG or GIF file for your review before you post their listing(s). Once the user fills in all the details an email will be sent to you with the file location and the users details. The script will also email your client with a Confirmation email providing them with the same details.

You can modify the script to your liking and change the location of where the files will be store easily. There are no restrictions and easy installation instructions are provided.
