eBay Style Auction Software!

Hits: 1,815

Description: Start your very own professional online auction web site. This auction software was designed to be very customer friendly, with a clean professional design, and very many similarities with that of eBay itself. A full featured E-Bay type auction system. Features: BUY-it- Now function; Dutch fixed price; Main page featured auctions; Main page gallery feature; Category featured auctions; Bold listings; Highlight listings; Auction postings from 1 to 31 days ; Image upload; Payment / Condition / Shipping / Display; Auction item display like EBay; Seller and buyer feedback system; Username "ABOUT ME" page; User Stores; Sellers can edit their auction item; View seller's other auction items; Confirmation email for new items; Bid and Outbid notice; Closing email to buyer and seller; Classifieds; Forum; and more.
