OneDump - Free, Unlimited, Image Hosting, Audio Hosting and Text Hosting

Hits: 1,438

Description: OneDump offers free unlimited storage for all types of files, from audio, images, and text. Our straightforward approach makes it easier to upload and share files. OneDump not only lets users host files but it also lets you link to them to use on social networks, websites and blogs. The OneDump Quicksend method open to registered users allows them to directly upload images, audio and text files by sending them as email attachments, this also includes files sent from mobile devices. OneDump also allows registered users to create beautiful eye catching image galleries that give you a clean view of your images that you can share with your friends. Unlimited file uploads, up to 10 files at a time, up to 10MB per file - All for FREE. Visit today!
