FlexBB Forum Software

Hits: 2,767

Description: FlexBB is a Flexible, Pro and Versatile bulletin board software. FlexBB (formerly vForums: late 2004 - early 2005) was originally founded in 2004 by three web-enthusiasts; Chris Vazquez (Canada), Lewis Beechey (England) & Nick Berlette (USA).

Chris, with Lewis, owns FlexBB and is the Main Developer of the software - The mastermind behind it all. He created everything you see in FlexBB here today. Lewis, with Chris, owns FlexBB, helping out with template modifications, support (in all areas), advertising, holding both FlexBB.net and .org domains, feeding Chris ideas and will also soon be releasing FlexBB mods for you to use. The FlexBB team strives to give you the most flexible and best Free Open Source forum software that's out there today!
