# AbleSpace PHP+Flash+MySQL Community Software

Hits: 2,775

**Description:** If you want to start a community or dating site, there is a wide choice of options. You can hire a crew of programmers to write a dating script from the scratch, or you can buy a ready-made community solution. There is a wide choice of such dating and community software scripts. There is one problem about them all: they are narrow in their functionality. Besides, if you want to use so common features as Video Chat, VOIP Phone, Voice Recording, Video Sharing module as youtube, you have to pay a monthly fee. It is always so. But there is one community software or social network solution that will cover all your needs and that will not ask for any monthly fees: AbleSpace. What is so unique about it? With it you get free: 1) Video Chat, 2) VOIP Phone, 3) Video Sharing Module, 4) Flash Games, 5) Friends Module, 6) Flash Chat with Multiple Rooms, 7) 3D Chat, 8) Groups, 9) Classifieds, 10) Events, 11) Greetings' Recording, 12) Photo Gallery, 13) Forum, 14) Blogs etc.
