Progress Bar (percentage based)

Hits: 1,267

Description: If you're wondering how to show real percentage inside web documents, this solution may be the best thing for you. Forget about xml http request (aka AJAX) ones, and it works flawlessly.

The bar will also make sure the user will see how much of the activity is completed, by using percentages from 1 to 100%.

Resource Specifications

Version:	Mockup
Platform(s):	linux, windows, freebsd, osx, sun
Date Added:	Jan 13th, 2008
Last Updated:	Jan 13th, 2008
Author:	Vladimir Ghetau

Average Visitor Rating:  **4.63** (out of 5)

Number of Ratings: 8 Votes

Average Member Rating:  **0.00** (out of 5)

Number of Reviews: 0 Reviews
