Ultimate Link Cloaker

Hits: 748

Description: Your one-stop solution to cloaking and tracking affiliate links. Featuring the following:

1. Simple 30-second installation.
2. Runs on both Windows and Linux web hosts.
3. Easy-to-use secure Administration Panel.
4. Turns ugly affiliate links like `aff.php?id=33` into elegant links such as `go.php/KEYWORD`

Resource Specifications

Version:	1.0.2
