# Free Conversions Tracking, Heat Map, and Geo Location Tool Hits: 326

**Description:** Conversionstats.com allows you to track multiple websites in a easy and simple interface, unlike other tracking tools. Conversionstats allows you to track your sales conversions from paypal, 2checkout, and other major payment gateways. Compare your conversions and visitors on our search engines results, payperclick campaigns, and more. You also get a free heat map for all your websites and a unique geo location tracking tool for your site, all free.
